Earning an Income

The Fair Work Ombudsman

Migrant workers and visa holders, including international students, have the same workplace rights as all other workers in Australia. The Fair Work Ombudsman has advice and assistance to all workers to help them understand these rights.

There are **minimum pay rates** that employees have to be paid, based on the work they do. Employees also have other minimum conditions at work. These are set out either in an Award or agreement, or come from the National Employment Standards. A payslip needs to be provided each time an employee gets paid.

Further information and support is available via www.fairwork.gov.au.

Getting a Tax File Number

You must obtain a Tax File Number to be able to work in Australia. A tax file number (TFN) is your unique reference number to our tax system. When you start work, your employer will ask you to complete a tax file number declaration form. If you do not provide a TFN your employment will be taxed at the highest personal income tax rate, which will mean less money in your wages each week.

You can apply for your TFN online at <https://www.ato.gov.au/Individuals/Tax-file-number/Apply-for-a-TFN/>, or phone 13 28 61, 8am to 6pm Monday to Friday. For the ATO translating and interpreter service phone: 13 14 50.

Tax Returns

Taxes are managed through the **Australian Taxation Office (ATO)**. The tax you pay depends on how much you earn. If you pay too much tax you are entitled to a refund. To get a refund you will need to lodge a tax return. You can lodge online using **e-tax** (free), by mailing a **paper tax return**, or by paying a **registered tax agent** to complete and lodge the return for you. If you lodge by e-tax your refund will normally be issued within 14 days.

- Lodge online using e-tax at www.ato.gov.au
- For a registered tax agent visit www.tpb.gov.au
- Tax returns are lodged at the end of the Australian tax year – (1 July to 30 June). Each person who has worked during a financial year is required to submit a tax return by the 31st of October.

Superannuation

If your monthly wage is more than AU\$450 (before tax), your employer **must** contribute an additional sum equal to 10% of your before tax wage into a nominated superannuation (pension) account for you. In most cases, you can access your contributions when you leave Australia permanently, although the contributions will be taxed.

Your workplace will have a superannuation fund that they can recommend for you, or you can nominate your own fund. Some examples include:

- ING Living Super - www.ing.com.au/superannuation.html
- Virgin Money Superannuation - www.virginmoney.com.au/products/superannuation/joint/
- Hostplus – www.hostplus.com.au

When you leave Australia permanently, and want to check you check your eligibility to claim superannuation and to apply for your payment, visit: <https://www.ato.gov.au/Individuals/Super/In-detail/Withdrawing-and-paying-tax/Super-information-for-temporary-residents-departing-Australia/> You will need to provide the details of your superannuation fund, Source: Australian Taxation Office).

Setting up a Bank Account

You can choose to open an account at any **Bank, Credit Union or Building Society** in Australia. Do your research to get the best deal. Further information concerning the four key Australian banks is available as follows:

- Commonwealth Bank - www.commbank.com.au
- National Australia Bank (NAB) – www.nab.com.au
- Westpac – www.westpac.com.au
- ANZ – www.anz.com.au

To open a bank account you will need:

1. your passport (with arrival date stamped by Australian immigration)
2. student ID card
3. money to deposit into the account (this can be as little as \$10)
4. Tax File Number

Anyone who wishes to open a bank account in Australia must show several pieces of personal identification which are allotted a points system. 100 points of identification is required to establish your identity as the person who will be named in the account. Your passport and proof of your arrival date in Australia will be acceptable as 100 points if you open an account **within six weeks** of arrival in Australia. After this time you will be required to produce additional documentation. As a student you will be able to open an account with special student benefits. Many banks have 'Student Accounts' which contain no or minimal fees for transactions that might normally be attached to regular savings accounts. You will also require the student ID card from your institution to prove you are a student and should have access to the benefits offered by a student bank account.

For a comparison of accounts in banks throughout Australia see:

<http://www.banks.com.au/personal/accounts/>

Most people in Australia enjoy the convenience of **Internet banking** and/or **Telephone banking**, which enables them to manage their money, pay bills etc. from home. At the time you are setting up your account you can request these services from your bank.

Bank and ATM Locations

Please visit this website and find Banks & ATMs nearest to you:

www.lookatwa.com.au/AboutPerth/banks.html

Banking Hours

Most bank branches are open from **Monday to Friday, 9:00am to 4:00pm** (except on public holidays). Some branches have extended trading hours during the week and may be open Saturdays (check with your individual bank). **ATMs remain open 24 hours a day**. However, you should be aware of your personal safety if accessing cash from an ATM at night in quiet areas where there are not a lot of people around.

ATMs (Automatic Telling Machines)

ATMs can be used to withdraw cash from an account by using the ATM card which is available with most bank accounts. You can also use ATMs to get an account balance and transfer money into other accounts. Some ATMs also allow you to deposit cash and cheques into your account. Using the ATMs of your bank will generally cost less money than if you use another bank's ATMs. Fees for using ATMs can vary between banks and between accounts.

Using an ATM

You will be given a PIN (Personal Identification Number) by your bank. You will need to enter this into the keypad at the ATM to access your account. It is the key to your account and it is important that you never tell anyone your PIN. A bank or reputable business will never ask you for your PIN. If anyone does, be suspicious, don't hand it over and report the incident to the bank and the police. Be careful no-one is looking over your shoulder when you enter your PIN.

These general rules should be followed for **ATM safety**, especially at night:

- Minimise your time at the ATM by having your card ready when you approach the machine;
- Take a look around as you approach the ATM and if there's anything suspicious, don't use the machine at that time (report any suspicions to the police);
- If you don't feel comfortable using a particular ATM, consider continuing on to another branch or using off-street ATMs;
- Do remember that EFTPOS can be used to withdraw cash at many other places, like supermarkets and service stations;
- If you simply want to check your account balance or transfer funds between accounts, telephone or Internet banking can be used instead of an ATM.

If your ATM or credit card is lost or stolen (or if your PIN has been revealed to another person), notify your bank immediately. This will enable your bank to put a stop on your card immediately so that no one else can use it and get access to your money. Most banks have a 24-hour telephone number for reporting lost cards – it's a good idea to keep a record of this number handy at all times, just in case. If you don't know the number, ask your bank. (Source: Australian Bankers' Association Inc.)

Safety When Carrying Money

The first and fundamental rule of safety when you carry money is: **“Don’t carry large amounts of cash!” “Don’t advertise the fact that you are carrying money!”**

- Divide your cash into different locations on your person (front pocket, coat pocket, shoes, etc.).
- Keep your wallet in one of your front pockets at all times.
- Do not carry cash in a backpack or back pocket.
- Sew a small money pocket into the cuff of a trouser, sleeve of a shirt or even a bra.
- Divide your bank/credit cards and keep them in separate locations.
- Do not place money or valuables in lockers.
- Be very careful how you carry your handbag, and never leave it open for someone to slip their hand inside.

EFTPOS

Short for ‘Electronic Funds Transfer at Point Of Sale’, EFTPOS terminals can be found where goods or services are sold, for example, supermarkets, service stations, restaurants, doctors’ surgeries and gymnasiums. You can pay for goods and make payments through EFTPOS using your ATM card, rather than paying with cash. At some stores, when you use EFTPOS you can also withdraw cash from your account at the same time. You should be aware that there are some retailers who put limits on how much cash can be withdrawn which may be dependent on the amount that is spent in the store.

When paying by EFTPOS, you also use your PIN to access your account. The same rules apply about keeping the PIN confidential and never handing it over to anyone. Be careful no-one is looking over your shoulder when you enter your PIN. See: Using an ATM.

Paying Bills

Most bank accounts offer lots of easy options for paying bills. Transaction accounts with cheque book facilities allow you to pay bills by cheque, and most transaction accounts and savings accounts allow you to pay bills electronically (e.g., using facilities such as telephone banking, Internet banking) and using direct debits.

A note of caution on direct debits – they are a convenient way to pay every day bills, but always make sure you’ve got enough money in your account to cover the cost of the debit. If your pay or allowance goes into your account on a certain date, make sure your direct debit payments are scheduled to come out of your account after your pay goes in, or you might end up with an overdrawn account or a dishonoured payment – both can cost you money.

Fair Work Ombudsman

Migrant workers and visa holders, including international students, have the same workplace rights as all other workers in Australia. The Fair Work Ombudsman provides free advice and assistance to all workers to help them understand these rights. Most International Students work to support themselves financially while they study in Australia. If you are on a Student Visa, this enables you to work up to 48* hours per fortnight while your course is in academic session.

*Refer to the section in this handbook titled ‘Temporary relaxation of working hours for student visa holders’ for further information.

When should I contact the fair work ombudsman?

The Fair Work Ombudsman (FWO) can help you understand your workplace rights and responsibilities when working in Australia, whilst in your own employment. You can also ask the FWO to help resolve issues about pay and other entitlements at work.

International Student Visas

All workers, including international students, are entitled to Australia's minimum pay and entitlements. This is the case even if an international student has breached their visa.

To support and encourage international students to get the help they need, the FWO and the Department of Home Affairs have agreed that a student's visa will not be cancelled if they:

- had an entitlement to work as part of their visa
- believe they have been exploited at work
- have reported their circumstances to the FWO
- are actively assisting the FWO in an investigation

This applies as long as they:

- commit to abiding by their visa rules in the future; and
- have no other grounds for visa cancellation (such as on national security, character, health or fraud grounds)

Under this arrangement, the Department of Home Affairs will not generally cancel a student's visa if they ask for FWO's help and the above conditions are met. Remember, it's absolutely okay for you to speak up and ask for help if you think you have been exploited at work.

Information for International Students (Accommodation/Work)

The Australian Government Department of Education has asked Stanley College to share the following information with our International Students.

Accommodation

The Australian Government warmly welcomes international students to study and live in Australia and to have a positive experience while accessing a world class education.

We know finding suitable accommodation can be a challenge for international students at this time of year. Austrade publishes a range of tools and resources on the Study Australia website on accommodation options within Australia including:

- [Tips on creating a strong rental housing application.](#)
- [Tips to find the right home and house mates for you.](#)
- [Know your rights as a tenant in Australia.](#)

Costs of accommodation will vary depending on your chosen state, city, and type of accommodation. The [cost of living calculator](#) on the Study Australia website helps students calculate their expenses.

Getting a job and your work rights

Education providers have responsibilities to international students to support their health, wellbeing and adjustment to living in Australia including providing information about their work rights and how to seek support for workplace issues.

International students, have the same workplace rights as all other workers in Australia.

- You must be paid at least the minimum wage.
- You must pay tax on your income.
- You must receive a payslip.
- Casual work means you don't have a fixed number of hours every week.

The [Australian Government Department of Education](#) has a range of videos and resources for international students about workplace rights which have been translated into different languages.

International students can contact the [Fair Work Ombudsman](#) or phone [13 13 94](#) for help if they're having workplace issues, without fear of their visa being cancelled.

Austrade's [Employability Hub](#) provides international students with resources to enhance their employability and job readiness and information on their work rights.

Temporary relaxation of working hours for student visa holders - ENDED

From 1 July 2023, work restrictions for student visa holders were re-introduced and capped at the increased rate of 48 hours per fortnight. Further information can be found on the [Department of Home Affairs](#) website.

For International Students, it is important that you manage your study/ work commitments effectively. Your permission to study in Australia is closely linked to the Australian Government Student Visa Program, including the requirement to maintain satisfactory course progress and/or satisfactory course attendance. It is essential for you to comply with the conditions of your student visa at all times. For more information on Satisfactory Course Progress and/or Satisfactory Course Attendance refer to the section titled Course Progress/Course Attendance within the General English Student Handbook.

- The Ombudsman is independent and impartial. If they do decide to investigate your complaint and appeal, they will contact Stanley College and ask us what happened.

If the internal or any external complaint handling or appeal process results in a decision that supports the student, Stanley College must immediately implement any decision and/or corrective and preventative action required and advise the students of the outcome. The final outcome of the external appeals process must be abided by both parties.

Stanley College uses Education Agents

Once you've made the decision to study in Australia and you know where you want to study and which course you want to undertake, you can enroll directly with Stanley College. If, however, you need more help with the admission application process, or the Australia visa application process, you can choose to use an education agent to enroll with Stanley College.

An education agent can tell you about your options for studying and living in Australia and assist with your visa and institution applications. In many cases, agents have had experience studying in Australia and can share their experiences with you. In addition, because they are dealing every day with application and visa application requirements they will be able to give you guidance for your particular situation.

Stanley College currently holds Third Party Agreements with all education agents listed to recruit students on its behalf. All education agents associated with Stanley College are listed on our website. For further information, please visit:

Consumer Protection

Australia has a strong consumer protection framework to protect the rights of Australian consumers, including international students in Australia. The Australian Consumer Law includes a national law guaranteeing consumer rights when buying goods and services. You should contact the relevant government trade and consumer agency in your state or territory, if you:

- Would like information about your consumer rights.
- Have a problem with a consumer good or service that you have bought or are considering buying.
- Would like to know how a business should behave under the law.
- Would like to make a complaint about a business.

Visit www.australia.gov.au or www.consumerlaw.gov.au to find the relevant government agency for where you are living and studying.

Personal Safety tips

- Travel in groups or with a companion wherever possible.
- When walking alone, do not wear headphones. It is good to be able to hear what is happening around you.
- **Keep valuables such as mobile phones, laptops and iPods out of sight and stay aware of your surroundings when travelling on public transport.**
- Outside of peak times and at night, travel in the front carriage of the train nearest the driver. Where possible do not travel in empty carriages.
- Check Public Transport timetables in advance. Avoid long waits on platforms and around Public Transport hubs. If you do have a long wait, stay in well-lit areas or near open shops.
- Walk in well-lit areas even if it means your trip is longer, Avoid short cuts through dark isolated areas.
- If you feel threatened in any way while walking on the street go to a shop or a house with its lights on (if at night) and ask for police to be contacted.

Scams

Scams take advantage of people's trust in authorities and fear of doing the wrong thing. Victims can feel an array of emotions such as; helplessness, humiliation, anger and guilt; but it's important to know you are not to blame and there is help at hand.

The Australian Federal Police (AFP) has the following tips on how to protect yourself:

- If you get cold called by someone making threats about arrest or deportation, it is a scam. Do not send them any money. Instead, hang up the phone immediately and report it to your local police.
- Never give your personal, credit card or online account details over the phone unless you made the call and the phone number came from a trusted source.
- If you think you have provided your bank account details to a scammer, contact your bank or financial institution immediately.
- When dealing with uninvited contacts from people or businesses, whether it's over the phone, by mail, fax, email, in person or on a social networking site, always consider the possibility that the approach may be a scam.
- You can contact IDCARE (Australia and New Zealand National Identity and Cyber Support Service) for support if you have concerns about your identity being compromised. Contact them via the online form or phone: 1300 432 273.

Introduction to ELICOS

ELICOS stands for ‘English Language Intensive Courses for Overseas Students’ courses. Studying intensive English courses in Australia means participating in a sector of Australian education that has been developed to allow speakers of English as a second language (ESL) to develop their English and continue on to academic studies.

In most countries, there is no control over ESL teaching. In Australia, however, the government regulates the English teaching industry to make sure that all international students receive a high quality of instruction.

The English language industry has developed in Australia over a period of about twenty years, and is now one of the best known in the world. English language centres in Australia which offer courses to overseas students vary enormously. There are many ELICOS Australian English schools to choose from, ranging from the small privately run college with small group tuition, to the secondary school preparing students for high school studies, to large university or vocational education centres which will offer English in its own right or as a transition to any number of other tertiary or further training programs.

Information about the General English course

The General English course provides a general framework for students to develop English language and literacy skills to undertake a variety of English language skills tests, further their education and training, seek and maintain employment and participate in an English speaking community. The course framework consists of five (5) levels:

- *General English- Beginners*
- *General English- Elementary*
- *General English- Pre-intermediate*
- *General English- Intermediate*
- *General English- Upper Intermediate*

The General English course levels:

- Utilise a common language for describing the characteristics of students and course provisions.
- Utilise a systematic approach to the planning and provision of General English education courses- including aspects of literacy and language courses.
- Allows for adaptability of delivery to suit the needs of the student cohort. This includes making reasonable adjustments for learning pace, delivery duration, the intensive nature of the delivery and the different delivery modes.
- Utilises designated and relevant Competency Test to assess student achievement.
- Integrates the study of reading, writing, speaking and listening as well as other specific skills into the day to day delivery.
- Utilises relevant texts and a variation of modes for delivery. Those modes include face to face, online and home study.

Location

The General English course in Stanley College is delivered at our West Perth Campus, 69 Outram Street, West Perth WA 6005.

Intake Dates

The intake date for General English is on a Monday each week (except for Public Holidays where the intake for that week will be on the Tuesday). Intake dates are subject to change, please visit www.stanleycollege.edu.au to confirm intake dates.

Class Sizes

General English classes will not exceed 18 students. Classes will run with five or more students, with the average class size being around 15 students.

Study Period

The minimum study period for General English students at Stanley College is four (4) weeks. The curriculum includes five levels, each one delivered over a period of fifteen (15) weeks for 20 hours per week:

- Beginners
- Elementary
- Pre-intermediate
- Intermediate
- Upper Intermediate

Student enrolments and study durations may differ depending on the following factors:

- Student's availability of time for General English study in Australia
- Student's desired level outcome i.e. whether they require 'intermediate level' at the completion of their General English study for entry to employment, further study or to sit for a specific Competency Test.
- Student's entry level - a student who enters the course at a Beginners level will conceivably spend longer studying than a pre-intermediate student if the desired level outcome is the same.

Holidays

At the completion of each 'level', students are permitted to apply for up to 2 weeks of holiday, provided their overall enrolment exceeds 20 weeks. Course enrolments of less than 20 weeks do not include any holidays:

Course/Enrolment duration (wks)	Possible holiday duration (wks)
15	0
20	2
30	4
45	6
60	8
75	10

Please note that application for holidays must be completed at the time of enrolment. Holiday periods do not incur any course fees.

Self-Study (Homework)

Teachers will give students homework activities on a daily basis. The amount of time required for Self-Study (homework) varies depending on the courses level:

Course Level	Self-Study Hours (minimum per week)
Beginners	2
Elementary	3
Pre-Intermediate	4
Intermediate	5
Upper Intermediate	6

Social Activities

Students are encouraged to participate in weekly social activities organised by Stanley College. Social Activities are optional, and timings, costs and activities available vary. A Social Activity Calendar is published each month. In addition, a Graduation Party is scheduled each week to farewell students who have completed their General English studies at Stanley College and to congratulate students who have achieved a 'level'.

The Teacher and/or Student Support Officer will inform you about your rights to appeal and your entitlements in the appeal process.

Sexual Assault, Sexual Harassment – ZERO TOLERANCE

Stanley College welcomes and supports its diverse student base and is committed to their safety. Students are advised that Stanley College has zero tolerance for discrimination and harassment by, or towards, students or staff members, on or off campus.

In Australia it is a criminal offence to harass another person. Students need to be aware that if you break these laws you could end up having your enrolment cancelled, as well as being arrested and going to Court and having a criminal record. For international students, it may result in cancellation of your visa.

There are two main forms of harassment that can lead to legal trouble for a person in Australia. Sexual harassment and other forms of harassment – including stalking. These are explained below:

Sexual harassment includes any unwelcome sexual advance, or request for sexual favours, or unwelcome conduct of a sexual nature towards another person.

Sexual harassment does not need to be repeated or continuous, it can involve a single incident.

Sexual harassment can take many forms including, but not limited to:

- Unwelcome physical touching, hugging or kissing
- Staring or leering at someone or at parts of their body
- Suggestive comments or jokes
- Insults or taunts based on sex
- Sexually explicit pictures, e-mails or text messages
- Intrusive questions about a person's private life or body.

Sexual Consent

It is NEVER OK for anyone to force you to have sex, or for you to have sex without the other person's permission – doing so is a criminal offence.

People have the right to say **NO** at any time. If a person says **no**, or withdraws their consent at any stage, you must stop and respect their wishes.

You must ask for permission and consent to proceed with any sexual activity with your partner.

Silence is not consent, an uncertain response is not consent, so if they are not agreeing, or seem unsure, stop straight away.

If you proceed without consent, you are committing sexual assault and that is a serious crime that may lead to imprisonment.

Consent cannot be given by people who are underage, intoxicated or incapacitated by drugs or alcohol, or asleep, or unconscious. If someone agrees to an activity because they are feeling intimidated or threatened, this isn't considered consent because it was not given freely.

Consent is about good communication. When engaging in sexual activity:

Document Name: Student Handbook General English	RTO : 51973	CRICOS Code : 03047E
Location: NovaCore CMS\DMS\Student Services Drive\Orientation\		
Version: 3.1 © Stanley College	Approved on: 26-04-2024	Review Date: 26-04-2026
		Page 51 of 87

- Communication about consent must be clear and involve words as well as gestures, to make sure there is no doubt, that should be a definite YES. The absence of ‘no’ is not consent;
- Don't assume Consent;
- Consent needs to happen every time. If a person has agreed to sex in the past, it does not mean automatic consent is given to sex in the future. This includes if you are married or in a relationship;
- Consent is specific, so agreeing to one kind of sexual activity does not mean agreeing to other kinds of sexual activity;
- Consent is an ongoing conversation and can be withdrawn at any point.

Consent is NOT:

- Refusing to acknowledge “no”
- A partner who is disengaged, nonresponsive, or visibly upset
- Assuming that wearing certain clothes, flirting, or kissing is an invitation for anything more
- Someone being under the legal age of consent, as defined by the state of Western Australia
- Someone being incapacitated because of drugs or alcohol and unable to say no, or think clearly enough to make a decision
- Pressuring someone into sexual activity by using fear or intimidation

Other forms of harassment

Other forms of harassment that are unlawful in Australia include:

Threats including those to hurt or kill another person, or to hurt or destroy their property, or to do something that will cause a loss of any kind to another person.

Stalking is an illegal form of harassment that can include: repeatedly watching another person's home, their place of work, or where they regularly hang out, especially if you are trying to make them feel scared in any way because they don't want you around.

Harassing another person on social media, emails, and other technology can be classed as a form of stalking. If you continue to send unwelcomed communication, either by text, phone calls, etc., especially when the person feels intimidated or is fearful, you can end up in trouble.

While you can end up being arrested and going to Court, you also risk your enrolment at the College being cancelled and a report made to the Department of Home Affairs about the cancellation.

If you are being harassed in any way in your workplace or at Stanley College, please speak to the Student Services Team or contact the Student Counsellor at counselling@stanleycollege.edu.au for support and advice on your options.

If another student or staff member tries to cause you harm in any way or is harassing you on or off campus, and you need help or wish to report it, please speak immediately to the Student Services Team or contact the Student Counsellor at counselling@stanleycollege.edu.au for support and advice on your options.

Course Progress/Course Attendance

As a General English Student, your permission to study in Australia is closely linked to the Australian Government Student Visa Program. It is essential for you to comply with the regulations of your student visa at all times.

Under the ESOS Act, Stanley College is required to notify you AND The Department of Home Affairs (DHA) if you have breached your student visa conditions as a result of having failed to maintain satisfactory course progress **and/or** satisfactory course attendance.

Hours of Attendance

For ELICOS students it is a condition of your visa that you are enrolled in full-time study. ELICOS Standard (Standard C1) defines full time study for General English courses as a minimum of 20 hours face to face scheduled course contact per week.

An attendance is taken for each General English class. This includes the date, time, location, teacher, and names of students in the class. Lateness and absences will be recorded. If a student is absent from a class due to medical reasons, the student must provide a medical certificate from a registered health provider to the Student Services team. The letter provided must cover the entire period of absence. It must be submitted within three days of the absence occurring.

Your attendance is marked as follows by the General English teachers:

		Attendance Marked for a student:				
	Part of class (Session)	On time	0-15 minutes late	More than 15 minutes late / does not attend session	Student leaves 0-15 minutes before the end of session	Student leaves more than 15 minutes before the end of session
Full class (4 or 5 hours)	Before break	Full-attendance (0 absence)	Part – attendance (0.25 hour absence if 15 minutes late)	Absent (2-3 hours absence)	Absent (2-3 hours absence)	Absent (2-3 hours absence)
	After break	Full – attendance (0 absence)	Part – attendance (0.25 hour absence if 15 minutes late)	Absent (2-3 hours absence)	Part – attendance (0.25 hour absence)	Absent (2-3 hours absence)

If you have any questions, your General English teacher will be more than happy to explain the process.

General English Course Attendance Policy

Students who are enrolled in the General English Program at Stanley College are required to attend all classes. If you do not maintain an attendance of at least 80%, Stanley College is obligated to report the matter to the Department of Home Affairs (DHA) for further action. Stanley College monitors the following to determine if a student is at risk of not maintaining satisfactory course attendance:

- Consecutive unauthorised student absences;
- Student attendance is at least 95% of the scheduled course contact hours.

Unsatisfactory Course Attendance is identified where a student has failed to maintain the minimum attendance requirement of 80%.

If you are having attendance issues, Stanley College will send you formal warning letters to notify you that your attendance is of concern and needs improvement. During the Warning Letter process, our Student Services team will be available to assist you in maintaining your attendance requirement.

General English Course Progress Policy and Procedure

Stanley College is required to monitor, record and assess your course progress for each level of the General English course for which you are enrolled to help you achieve satisfactory course progress. We will intervene if you are at risk of failing to achieve satisfactory course progress. This requirement is as per the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (Standard 8). Course Progress is assessed by monitoring the following:

- results from Competency Tests;
- completion and outcomes from Unit Progress Tests;
- Participation in tuition activities or other indicators of academic progress;
- Student attendance is at least 80%.

Unsatisfactory Course Progress is defined as where a student has not passed their assigned level of the General English course, after two (2) consecutive study periods.

Your course progress will be deemed satisfactory if:

- You have received a minimum outcome of 60% for all required Competency Tests throughout the fifteen (15) week study term of that level of study.

Your course progress will be deemed unsatisfactory if:

- You have not passed the assigned level of the General English course, after two (2) consecutive study periods.
- Your course load will prevent you from completing the course within the expected duration of the course as specified on your eCOE.

***Example:** You have too many outstanding Competency Tests or have been absent due to illness or other issues for too long to be able to achieve a pass within the duration of your eCOE.*

- Your teacher identifies you as being at risk of making unsatisfactory course progress before the end of the study period

Example: Your participation (attendance) is not sufficient for you to pass any number of your Competency Tests or you do not have the necessary skills and knowledge to attempt the Competency Tests.

Please note: Stanley College may permit you to re-sit Competency Tests where you have not achieved a pass mark; however, any associated costs, such as additional course fees, visa extension fees and other fees are **your responsibility**.

Intervention Strategy

For General English Students, Stanley College’s intervention strategy will apply to you if it comes to our attention that you **are at risk** of not maintaining satisfactory course progress and/or satisfactory course attendance.

For Course Progress, this is identified when you have not completed the assigned course level after one study term of fifteen (15) weeks. If a student is identified as being at risk of not maintaining satisfactory course progress, the Stanley College intervention strategy is implemented.

At the end of each study term, you will be assessed against the Course Progress policy. If you are identified for the first time as not maintaining satisfactory course progress, the Stanley College intervention strategy is implemented within four (4) weeks.

For Course Attendance, this is identified when you have been absent for more than five consecutive days without approval, or you are at risk of not meeting attendance requirements before your attendance drops below 80% (a warning letter has been issued). The structure of warning letters is as follows:

- 1.) Warning letter one (1) – Your attendance has dropped below 95%; OR
- 2.) Warning letter two (2) – Your attendance has dropped below 90%; OR
- 3.) Warning letter three (2) – Your attendance has dropped below 85%.

During each study term, the student will be assessed against the course attendance policy. If a student is absent for more than five consecutive days without approval and/or the student receives a warning letter for attendance, the Stanley College intervention strategy is implemented within four (4) weeks.

Intervention

An Intervention Strategy is an agreement between you and Stanley College in which you agree to adhere to a strict plan which may involve additional extracurricular work (homework) and extracurricular coaching sessions with a teacher (See note below). An intervention strategy is necessary where you have been deemed at risk of not meeting satisfactory course progress and/or satisfactory course attendance requirements.

Stanley College’s intervention strategy includes:

- procedures for contacting and counselling students;
- strategies to assist identified students to achieve satisfactory course attendance and/or satisfactory course attendance; and
- the process by which the intervention strategy is activated.

Stanley College’s intervention strategy includes provision for:

- advising you on the suitability of the course in which you are enrolled;
- advising you that unsatisfactory course progress in two consecutive study periods for a course and/or unsatisfactory course attendance could lead to you being reported to The

Department of Home Affairs (DHA), which may result in the cancellation of your student visa, depending upon the outcome of any appeals process.

A copy of the intervention strategy will be submitted to your Teacher/s and the Course Co-ordinator, delivering and assessing the relevant course level. Teacher/s will be instructed to monitor your adherence with the intervention strategy and to report any short comings (such as tardiness, non-attendance and/or unsatisfactory performance).

If you fail to fulfil the requirements of the agreed intervention strategy a warning letter will be issued to your Stanley College email account. You must respond to the warning letter, clearly indicating the reasons for not adhering to the intervention strategy.

Note: Extracurricular coaching sessions may attract a fee of up to \$30 per 30 minutes if the student is available during Stanley College’s normal operating hours. Extracurricular coaching cannot be offered outside of Stanley College’s normal operating hours. Extra assessments are charged at the rates listed for reassessments.

Reporting:

Stanley College must notify you of its intention to report to The Department of Home Affairs (DHA) and The Department of Education and Training (DET), via PRISMS for the following reasons:

- **Unsatisfactory Course Progress:**
If you are identified as not having passed your assigned level of the General English course, after two (2) consecutive study terms.
- **Unsatisfactory course attendance:**
If you are identified because your attendance has dropped below 80%.

The Notice of our Intention to Report (NOR) officially advises you that you are in breach of your student visa requirements and that you will be reported to The Department of Home Affairs (DHA) which may affect your student visa.

The Notice of our Intention to Report will be sent to you **via email to your Stanley College email account** and a COPY mailed to your last known postal address. The Notification of our Intention to Report will advise you of your breach and inform you that you will be reported to The Department of Home Affairs (DHA).

There are limited circumstances where Stanley College may decide not to report you for falling below 80% attendance:

- You are still attending at least 70% of the scheduled course contact hours and have provided genuine evidence of compassionate or compelling circumstances; for failing to maintain an 80% attendance rate.

You may access the Complaints and Appeals Process within 20 working days from the date stated in the Notification of our Intention to Report. To access the Complaints and Appeals process you must complete an electronic Complaints and Appeals form (eCAFO) available on the Stanley College web site via www.stanleycollege.edu.au/cafo-form/. You may contact the Student Support Officer to assist you with this process. Read more about the Complaints and Appeals process in this student handbook.

Stanley College must maintain your enrolment by only reporting a breach of course progress or attendance in Provider Registration and International Student Management System (PRISMS) if:

- A breach has been upheld in the complaints and appeals process;
- You have chosen not to access the internal complaints and appeals process within the 20

- You have chosen not to access the external complaints and appeals process or you have not accessed it within 20 days; or
- You have withdrawn from the complaints and appeals process.

Extending Course Duration

Stanley College may choose to extend a student’s course duration in the following situations:

- It is assessed that compassionate or compelling circumstances exist. Evidence must exist to support this decision;
- If Stanley College has implemented or is in the process of implementing an Intervention Strategy for an overseas student who is at risk of not meeting satisfactory course progress and/or satisfactory course attendance;
- An overseas student has an approved deferral/suspension of their enrolment.

If Stanley College extends the duration of an overseas student’s enrolment, students are advised they need to visit The Department of Home Affairs (DHA) website to seek advice on any potential impacts on their visa.

Student Feedback

At Stanley College our goal is for all our students to Discover, Learn and Enjoy. We are always keen to hear your views about where we are and more importantly aren’t meeting this goal. Student feedback is a valuable source of information for Stanley College (us) to improve the quality of Teaching as well as the overall student experience. As such, we provide multiple avenues for both structured and unstructured feedback. We also welcome you to provide feedback on our services at any time. There are six (6) ways for you to provide feedback to Stanley College. The feedback is monitored each month and survey results are sent to both the Faculty Managers and the Executive Management Team to review and identify areas for continuous improvement. They are:

- Orientation Survey – This survey is presented to you at the end of your orientation via a QR Code. This survey focuses on your orientation experience at Stanley College.
- End of Course Survey - This survey is presented to you at the end of your course of study via a QR Code when you have picked up your testamur. This survey focuses on your overall experience whilst studying at Stanley College.

- Destination Survey – This survey is presented to you via email between 3-6 months following the completion of your course. This survey focuses on your life following completion of your study at Stanley College.
- AQTF Learner Questionnaire – Registered Training Organisations (RTOs) registered with the Australian Skills Quality Authority (ASQA), are required to ask their students for feedback. This survey is concerning your overall experience with Stanley College and is administered quarterly, sent to you via email when your course is in study.
- Sending Emails - All students are encouraged to send us feedback at any time using the designated email account feedback@stanleycollege.edu.au. This email account is monitored daily by the Stanley College Compliance Team.
- Student Services Team - Our Student Services Team is here to help and support you with Academic and Non-Academic issues. You are welcome to come and discuss feedback about Stanley College with them in person or via telephone on 08 6371 9999.

Stanley College reviews all the above methods of feedback with Continuous Improvement in mind. Where an improvement can be made to the services and courses offered to Stanley College Students, a Continuous Improvement Request form is completed and changes are implemented by the Executive Management Team. Where changes and/or improvements are a direct result of your feedback, information is published in the monthly Student Newsletter so that you can understand the value of the feedback process and see that your satisfaction is of the utmost importance to Stanley College.

Health and Safety on Campus

Stanley College has adopted the SAFE risk management model. It is a simple and easy to remember process for undertaking risk management. The SAFE risk management model enhances health and safety in the workplace and incorporates a simple four step process. The steps are:

- S** Spot the hazard
- A** Assess the risk
- F** Fix the problem
- E** Evaluate the results

The Occupational Safety and Health Act 1984 prescribes the employers duty of care to provide a safe and healthy working environment for all employees, and the employee's duty of care to take reasonable care for the health and safety of others in the work place. This includes the provision of:

- A workplace that is safe to work in
- Adequate staff training including topics such as safe work procedures, infection control procedures and appropriate hygiene
- Properly maintained facilities and equipment
- The provision of personal protective equipment such as gloves, eye protection and sharps containers where required
- A clean and suitably designed work place with the safe storage of goods such as chemicals

Each Stanley College campus has a Health and Safety Officer, who regularly checks the campus and reports issues.

The following procedures and standards must be observed to achieve a safe working and learning environment:

- Do not smoke on campus and at work-based training venues
- Do not consume alcohol on campus and at work-based training venues
- Do not consume illicit drugs on campus and at work-based training venues
- Maintain a safe, clean and efficient, working environment
- Store and dispose of waste according to health regulations
- Clean walls, floor and working surfaces to meet health and safety standards without causing damage
- Check all equipment for maintenance requirements, refer equipment for repair as required
- Store equipment safely
- Safe lifting and carrying techniques used
- Identify fire hazards and take precautions to prevent fire
- Ensure student safety at all times
- Ensure procedures for operator safety are followed at all times
- All unsafe situations recognized and reported
- Implement regular fire drills and provide first aid courses to all staff and students
- Display first aid and safety procedures for all staff and students to see
- Report any identified Occupational Health and Safety hazard to the appropriate staff member as required
- Implement procedures and practices, in accordance with State and Local Government Health regulations.

All Stanley College students are required to REPORT any HAZARD immediately to a Stanley College Staff Member

E-Scooters

International guidelines around lithium-ion batteries tend to be even more strict than Stanley College Guidelines. E-Scooter Batteries are made using Lithium batteries which at Stanley College represent a hazard for everyone. Due to the rare possibility of Li-ion batteries becoming overheated and exploding, they are classified as a Dangerous Good.

Under different conditions, lithium batteries might react, causing flames and fire. As you might have seen there have been some incidents with E-Scooters where flames and fires have been fast and widely spread. There are some reasons for this to happen: battery failure, poor quality construction, physical damage, overcharge or discharge, exposure to high or low temperatures.

Safety recommendations:

- Make sure you read the Health AND safety Manual of your Scooter
- Make sure you follow the Health and safety terms and conditions.
- Make sure you do not overcharge your scooter and do not leave it in areas with extreme temperatures.

Stanley College Policy:

As we are concerned about your health and safety, we have implemented the following e-scooter guidelines:

- E-Scooters cannot be charged whilst on campus
- E-Scooters must not be stored inside the campus

- E-Scooters placed outside campuses are not the responsibility of Stanley College.

Emergency Evacuation Procedure

Emergency Evacuation plans (maps) are located in every classroom and throughout each Stanley College campus. Please ensure you are familiar with emergency evacuation procedures and location of exits, fire extinguishers, fire alarm sounds and emergency assembly points in case an emergency happens while you on campus. The evacuation plans will be reviewed with you at Orientation, and again at commencement of each new unit/course.

In the case of an emergency or a practice evacuation, please pay attention to **Stanley College staff**, who will lead you from the building to the emergency evacuation assembly area. Fire Wardens are assigned to each campus and are responsible for coordinating emergency evacuation procedures. Please ensure that you pay close attention to the Fire Wardens direction in case of an emergency evacuation. Fire Wardens will be wearing yellow, red, or white hats during an evacuation. See below a sample evacuation plan for our West Perth Campus:

*Diagram 2: Sample Evacuation Plan

Our emergency procedure is as follows;

- If you witness a fire or other emergency situation; immediately notify the closest Stanley College staff member and if directed to do so, evacuate the building going directly to the emergency assembly point.
- An alarm or voice alert will sound to advise of an emergency and may be followed by a continual siren or voice alert message advising that an evacuation is required.
- Follow the instructions of Stanley College staff and campus Fire Wardens to evacuate the campus, and go to the designated meeting point. Please remain at the meeting point until you receive further instructions.

First Aid on Campus

Each Campus has a trained First Aid Officer on hand. In the event of a student accident or emergency on campus, students should:

- Seek assistance from the Stanley College team to locate a trained First Aider.
- In an emergency situation, ring 000.

- First Aid assistance/advice is available via Student Services or a designated Health and Safety Officer in each campus from 9.00am-17.30pm (Mirrabooka and West Perth until 21.30pm).

Each campus has emergency evacuation diagrams (see 'Diagram 2' above). These are located within each campus building and identify the location of First Aid kits provided for student/staff to use. Please note that no staff members/students, including those that have gained the appropriate First Aid training, are expected to carry out any First Aid procedure if they do not feel comfortable doing so.

All Stanley College students are required to REPORT any STUDENT OR STAFF Emergency immediately to a Stanley College Staff Member.

Personal Safety

When you are out and about it is important to be alert and aware of your personal safety.

Below are some helpful tips to remember when you are going out:

- Be alert and aware of your surroundings and notice the people around you, especially if you are alone or when it is dark. Whenever possible, travel with a friend or in a group.
- Do not respond to conversations from strangers on the street or in a car - continue walking
- Be discrete with your cash or mobile phones.
- Try not to carry your wallet in your back trouser pocket where it is vulnerable and in clear view.
- If you do not have a mobile phone, that you have sufficient money (coins) to make a phone call. Emergency 000 calls are free of charge.
- Make sure you have enough money to get home.
- Never hitch-hike or accept lifts from people that you do not know.
- Keep away from trouble - if you see any trouble or suspect that it might be about to start - move away from the scene if you can. The best thing you can do is to alert the police and keep away.
- Be wary of casual requests from strangers, like someone asking for a cigarette or change - they could have ulterior motives.

Concurrent Course Enrolment Guidelines and Disclaimer

Concurrent Course Enrolment means that you are enrolling simultaneously in more than one award course. Stanley College permits concurrent enrolment for its International Students based on the information outlined in these guidelines.

Stanley College permits concurrent enrolments provided that the:

- Course is listed on Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS);
- Student must have completed at least six (6) months of their Principal Course; *
- Student provides details of the concurrent enrolment including name of other Education Provider, name of Principal Course, commencement date and expected completion date;
- Student provides a copy of their current timetable to demonstrate that their attendance at Stanley College will not interfere with their existing studies;
- Student commits to maintaining satisfactory academic progress, including attendance/participation in all scheduled classes of both the Principal Provider and Stanley College;
- Student completes the Concurrent Course Enrolment Disclaimer.

*Where Stanley College is unable to issue a CoE due to a Standard 7 'Transfer Restriction' issue, it is an indication that the student HAS NOT completed six (6) months of the principal course and therefore does not meet the requirements for concurrent enrolment.

If you as a student have a separate enrolment with another provider, please contact student services to discuss this and if required sign the disclaimer.

Transfer to another College

If you wish to be released from your studies at Stanley College to transfer to another registered training provider within the first 6 months of commencing your principal course of study, you must inform the Student Support Officer via an Application for Transfer Form, of your intention to transfer at least 14 days prior to the transfer and submit together with a valid enrolment offer from another registered provider.

Stanley College will only grant the transfer request if it is in the student's best interests including, but not limited to where Stanley College has assessed that:

- The student will be reported because they are unable to achieve satisfactory course progress at the level which they are studying (in order to consider these circumstances, the student must have engaged with Stanley Colleges' Intervention Strategy);
- evidence has been provided of compassionate or compelling circumstances;
- Stanley College is unable to deliver the course, as agreed in the Offer Letter/ Written Agreement;
- evidence has been provided that the student's reasonable expectations of their current course are not being met;
- The student is not coping in the program, and has sought academic assistance from Stanley College. The student has not improved their academic performance;
- evidence has been provided that the student was misled by Stanley College or an education or migration agent regarding Stanley College or its course and the course is therefore unsuitable to their needs and/or study objectives;
- an appeal (either internal or external) on another matter results in a decision or recommendation to release the student.

Compassionate or compelling circumstances include general or personal circumstances that are adversely affecting a students' enrolment at Stanley College, and must:

- be beyond the control of the student; and
- occur subsequent to the student accepting an offer to study at Stanley College; and
- have an impact on the student’s general well-being or their capacity and/or ability to progress through their course.

It will normally be expected that such circumstances were unexpected and beyond the control of the student. In order for a request for a Letter of Release to be considered, the student must provide relevant supporting documentary evidence.

A student transfer request will always be refused unless a student has a valid enrolment offer from the receiving provider.

Circumstances where Stanley College will refuse the request include, but are not limited to:

- The student does not have a valid Offer Letter from another registered provider;
- If the student is under 18 years old and has not provided to Stanley College written evidence that their parent or legal guardian supports the transfer (and, if appropriate, the student has not confirmed alternative welfare arrangements approved by another registered provider, as per the National Code 2018 (Standard 5.12 – 5.13);
- The student is transferring to a non-AQF degree; or
- Stanley College believes the transfer will be detrimental to the student. This could include, but is not limited to, the following circumstances:
 - The transfer will not aid their progress through a set package of courses;
 - The student has not highlighted to Stanley College the actual benefits they will attain from making the transfer;
 - The student has recently had an intervention strategy put in place and there has been insufficient time to assess whether or not this will be an effective solution for the student.

The Student Support Officer and the President will then meet to assess your request for transfer from Stanley College to another registered provider where the first six months of the principal course have not elapsed.

If your request for transfer is approved:

If the transfer request has been approved, Stanley College will:

- issue a **letter of release*** at no cost, but subject to the constraints of the refund policy; and
- Record the details of your release against your CoE via PRISMS; and
- Inform you that it is your responsibility to contact The Department of Home Affairs (DHA) to ascertain whether a new student visa is required.

***A release letter will only be issued when we have a valid Letter of Offer from your new provider (college), and that it is in your best interests.**

If the request for transfer is not approved:

If the transfer request is not approved, Stanley College will:

- Issue a written response including the reasons for the refusal;
- Inform you of your right to appeal the decision; and
- Place a copy of all relevant documentation into your student file.
- Inform you of your right to access the Stanley Colleges complaints and appeals process, in accordance with the National Code 2018 (Standard 10), within 20 working days.

Note: A release letter will only be issued when we have a valid Letter of Offer from your new provider (college), and that it is in your best interests.

Transferring from another College

Stanley College will not enrol students transferring from another college prior to the student completing six months of their principal course of study.

Students wishing to transfer from another college prior to the completion of the first six months of their principal course must present Stanley College with a **LETTER OF RELEASE** from their training provider.

Exceptions to the above are where:

- The releasing registered provider, or the course in which the overseas student is enrolled in, has ceased to be registered;
- The releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the overseas student from continuing his or her course at that registered provider;
- The releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
- Any government sponsor of the overseas student considers the change to be in the overseas student's best interests and has provided written support for the change.

Transferring Students Under 18 Years of Age:

For students wishing to transfer in to Stanley College from another provider that are under 18 years of age, Stanley College must ensure that:

Table 1 -Refund and Cancellation (General English)

Stanley College calculates Refunds and Cancellation fees based on a TERM Fee (15 weeks study period including no holidays). For courses shorter than a Term, Refunds and Cancellation fees will be calculated on the Course Fees.

Reason for Refund / Cancellation	Notification Period		Refund	Cancellation Fee
Application for visa is unsuccessful	Before Term/Course Commences		Full refund less cancellation administration fee of \$250	\$250 cancellation administration fee
	After the Term/Course Commences	<i>Enrolment less than 24 weeks</i>	Full refund less Cancellation Fee	\$250 cancellation administration fee + Pro-rata of tuition fee used calculated on a weekly basis
		<i>Enrolment more than 24 weeks</i>		
Student Default Student with a student visa withdraws Or Student is cancelled for breach of College's rules or breach of student visa rules	More than 10 weeks before Term/Course commences	<i>Enrolment less than 24 weeks</i>	Full refund less cancellation fee	10% of a Term fee/Course fee
		<i>Enrolment more than 24 weeks</i>		
	More than 4 weeks and up to 10 weeks before Term/Course commences	<i>Enrolment less than 24 weeks</i>	70% of a Term fee/Course fee	30% of a Term fee/Course fee
		<i>Enrolment more than 24 weeks</i>		
	4 weeks or less before Term/Course commences	<i>Enrolment less than 24 weeks</i>	40% of a Term fee /Course fee	60% of a Term fee/ Course fee
		<i>Enrolment more than 24 weeks</i>		
<i>Enrolment less than 24 weeks</i> After Term/Course commences		No Refund	100% of a Term/Course fee	
<i>Enrolment more than 24 weeks</i> After Term/Course commences				

Note: A student who has **paid** fees for more than two Terms in advance and withdraws during a Term and more than four weeks before the commencement of the following Term, would receive no refund of fees for the current Term, at least 70% of the following Term's fees and a full refund of fees paid for any subsequent Term; less cancellation fees.

Student Default occurs when:

- the course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn); or
- the student withdraws from the course at the location (either before or after the agreed starting day); or
- the registered provider of the course refuses to provide, or continue providing, the course to the student at the location because of one or more of the following events:
 - the student failed to pay an amount he or she was liable to pay the provider, directly or indirectly, in order to undertake the course;

Overseas Student Health Cover (OSHC)

For International Students: Overseas Student Health Cover (OSHC) is **COMPULSORY** insurance that provides cover for the costs of medical and hospital care which international students may need while in Australia and is mandatory for international student visa holders. OSHC will also cover the cost of emergency ambulance transport and most prescription drugs. At Stanley College our preferred providers for OSHC are BUPA and NIB.

How do I get OSHC?

You can elect for Stanley College to include OSHC as part of your Application for Enrolment. Alternatively you may elect to organise your own Overseas Student Health Cover. Please note that only Australian health funds that have signed an agreement with the Australian Government can provide OSHC. You may choose to change your health fund at any time, but will need to abide by the conditions of change of the health fund provider you are leaving.

Further information on OSHC can be found at: <https://oshcaustralia.com.au/en>

If you come to Australia on a Visa other than a student Visa and undertake **a short course of study of three months duration or less** you will not be eligible for OSHC. It is wise to purchase travel or private medical insurance in this case.

What am I covered for?

OSHC provides a safety net for medical expenses for international students, similar to that provided to Australians through Medicare. Additionally, OSHC includes access to some private hospitals and day surgeries, ambulance cover and benefits for pharmaceuticals.

For more information on your OSHC please refer to the Policy Information Booklet available directly from the OSHC provider.

How do I use my OSHC card?

If you need to visit a doctor or medical centre, show your card at the end of the visit. There are two components to the medical bill, those payable to the doctor and those which are covered by the government. The medical centre may process the government fee for you, and charge only the doctor's fee. If the medical centre is not able to process the government fee, pay the total amount, keep the receipt and you can claim the government fee back from your OSHC provider.

Medibank Online Doctor Service

When international students come to Australia, they are often unaware of how the health system works here and where/how to seek health advice and treatment. With Medibank's new Online Doctor feature ahm OSHC Policy holders can consult with a doctor anytime, anywhere in Australia through the ahm OSHC app. Benefits include:

- Direct access via the ahm OSHC App
- Access to 800+ healthcare providers just a click away
- Access prescriptions for medicines and arrange pick up at a local pharmacy
- View medical certificates
- View referrals to specialists, pathologists and radiologists
- Billed directly to Medibank for audio and video consultations

All students need to do is download the ahm OSHC App, login and click on the Online Doctor tab on the home screen. After answering some quick questions about their symptoms, they will be able to talk with an available GP via audio or video! Unless it's an emergency, it's always recommended to contact their regular GP first, however if that's not possible, then our Online Doctor is able to assist. In an emergency, always call triple zero (000).
