Principles

4.1 This policy provides staff and students with clear guidelines on eligibility and conferral of awards.

4.2 The College is committed to ensure:

- a. Graduands have completed all course requirements leading to a higher education award;
- b. All documentation is certified and produced in a controlled manner, including any replacement documentation;
- c. Conferral of awards is fair and equitable and made in a timely manner;
- d. Any transitional arrangements resulting from discontinuance of courses are transparent, fair and equitable, and
- e. All graduation and awards documentation complies with the Australian Qualifications Framework (AQF) and the *Higher Education Standards Framework 2015*.

Eligibility to Graduate

4.3 Students are only eligible to receive a Testamur for their award on completion of all requirements of the course. Students must apply before the published cut-off date to receive a Testamur and Official Academic Transcript using the *Testamur Request Form* and *Academic Transcript Request Form*. Students must have met all requirements and finalised all financial matters prior to the published cut-off date to ensure a place at the Graduation Ceremony.

4.4 The Registrar is responsible for determining whether students have completed all course requirements.

Graduation Approval

4.5 The Registrar is responsible for the preparation of a Graduation Report for the Academic Board's consideration.

4.6 Once this report has been presented to the Academic Board, the Board will ensure a student has completed all course requirements. The Academic Board makes recommendations to the Board of Directors, who confers the award on the student. Once the Board of Directors has approved the graduand's eligibility for the award, the Testamur and Official Academic Transcript may be issued. These will either be presented at the Graduation Ceremony or mailed to the student.

Graduation Ceremony

4.7 Higher Education awards are conferred at the Graduation Ceremony. Higher Education students who do not attend a Graduation Ceremony will graduate in absentia and their testamur will be posted to their postal address recorded on eBECAS within 30 working days of the ceremony.
